

Mission Statement

The mission of the Lake Balboa Community Food Pantry of St. Bridget of Sweden Church is to assist and provide supplement food to the needy in the Lake Balboa Community, including the cities of Van Nuys, Reseda, and any San Fernando Valley residents who have been impacted by financial problems as a result of: unemployment (lay-offs & downsizing), divorce, disability, health, domestic violence, homelessness, disaster, aging and rising cost of living. We gather, store and distribute goods to those who find themselves in time of special need and crisis. Our mission is based on a compassionate hand out and hand up as we respect the dignity of each person we serve.

Open Every Tuesday from 11am – 4pm
